

## **Moral Science**

### **Lesson – 9 ( Class 6)**

We are all the same

**Answer the following questions :-**

**1. With whom does Nadeem live?**

Ans. Nadeem lives with his grandmother, father and his sister.

**2. When did Nadeem's mother pass away?**

Ans. Nadeem's mother passed away when he was just a baby.

**3. What did Nadeem's father tell him?**

Ans. Nadeem's father told him to study well and get a good job to support the family.

**4. What was Nadeem's desire?**

Ans. Nadeem's desire was to become a nurse and care for the sick and the wounded.

**5. Who was Nadeem's role model?**

Ans. His grandmother was his role model.

**6. Why did Nadeem's family not approve of the idea of him becoming a nurse?**

Ans. Nadeem's family did not want him to become a nurse because usually girls become nurse not boys. The profession of a nurse is not meant for boys.

**7. What would be the family's reaction if Nadeem's sister had chosen to be a nurse?**

Ans. The family would have felt happy because the profession of a nurse is meant for girls.

**Fill in the blanks :-**

- 1. When it comes to work there is no difference between a man and a woman.**
- 2. It is the passion for your work that makes the difference.**
- 3. Nadeem was very sincere and respectful for the work in the hospital.**
- 4. Nadeem was everyone's favourite.**
- 5. Nadeem was adamant to follow his dream.**
